Background on the Gospel Reading

Today we hear about how Jesus, continuing on his journey to Jerusalem, heals 10 lepers. This story is a lesson about faith and reminds us that faith is sometimes found in unlikely places. Ten people afflicted with leprosy cry out to Jesus. Struck with pity, Jesus heals all 10. However, only one is described as glorifying God and returning to thank Jesus. The one who returns is a Samaritan, a foreigner. In the Jewish circles in which Jesus lived, Samaritans were looked down upon because of the differences between the two communities in their observance of Judaism. It is significant, therefore, that Jesus commends the Samaritan for his faith, which has been his salvation. Throughout Luke's Gospel, faith is found in surprising places.

Another lesson for us in this Gospel has to do with salvation. All 10 of the lepers were given the gift of healing, but in his gratitude to God for this gift, the Samaritan found salvation. Our salvation is found in recognizing the gifts we have been given and knowing to whom we must offer our thanks.

Human Life & Dignity

Oct. 11 & 12: Care for Those in Need, Elder Care, & Care for Creation

“An old Irish proverb says, ‘It is in the shelter of each other that the people live.’ Indeed, we are created to depend upon one another and walk together in suffering. But when family members or friends approach life’s end, we may not know how best to ‘shelter’ them. Here are some concrete ways we can compassionately care for them: usccb.org/end-of-life-care
