- Stand 25-30 feet apart. Please do not park in front of an open business.
- See [www.LifeChain.org](http://www.LifeChain.org) for more information;
- LIFE CHAIN is a peaceful, prayerful public witness of pro-life Americans and Canadians standing in honor of 54 million lives lost to abortion, praying for our nations, for people in crisis situations and for an end to abortion. It is a visual statement of solidarity by the Christian community that abortion kills children and that the Church supports the sanctity of human life from the moment of conception to natural death.
- Pray for the abortionist, that God will change his/her heart/ for the mother, that God will show her the truth about her unborn child/ for the staff, that God will direct them to other employment/ for us, that God will forgive our complacency/ for those who chose to have an abortion, that God will heal and change their heart
